### DILUTION RATE

- Ready to use

A blend of cleaning solvents, detergents and fine oils for a superior cleaning job on your stainless steel. Cleans, polishes and protects the surfaces without hard rubbing and without an oily residue. With regular care, this product can help prolong the factory finish and will resist fingerprints, grease and water spatter. This product is ideal for other surfaces besides stainless steel. Use sparingly on a clean cloth – a little goes a long way. Just because it says Stainless Steel Cleaner, let this product work on your other cleaning surfaces.
