

Ino-bio 7

ODOUR CONTROLLER FOR RESTROOMS

INO-BI7 378

Ino-bio 7, is an odor controller that eliminates odors caused by urine and fecal matter at the source, on a continuous basis. It leaves a pleasant long-lasting fragrance.

Directions

To eliminate urine odors in washrooms :

After cleaning surfaces with Ino-bio 2, spray 3 to 5 spurts of **Ino-Bio 7**, in a mist form, around each toilet and urinal, directly on walls, floors and surfaces where urine tends to settle. 1 or 2 spurts of **Ino-bio 7** can also be sprayed directly into the urinal drain. According to the importance of urine odors, repeat the application when needed.

Other uses :

Child care centers, centers for elderly people and hospitals (diaper trays, laundry, carpets, textiles, etc.), pets (litter boxes, cages, etc.), etc.

1. Clean surfaces before, if necessary. **2.** Spray **Ino-bio 7**, in a fine mist, directly on the odor emitting surfaces. Repeat when needed.
