

ino-bio 10[®]

Ino-bio 10 SCRUB FREE CLEANER FOR SOAP SCUM AND SCALE RESIDUES

INO-BI10 378

Ino-bio 10 cleans and removes scale and soap scum residues.

Directions

Dilute **Ino-bio 10**, according to use (see dilution chart).

Surfaces (toilets, urinals, bathtubs, showers, faucets, sinks, drinking fountains, etc.):

1. Spray **Ino-bio 10** solution (dilution 1:10) on surfaces. **2.** According to dirt accumulations, you can let the product soak on the surfaces and then scrub with an appropriate instrument (brush, pad, etc.). **3.** Rinse.

Public showers, saunas (large surfaces):

1. Spray **Ino-bio 10** with a foaming gun or pressure equipment, adjusting the dilution rate at 1:30, on all vertical and horizontal surfaces. **2.** According to the dirt accumulation, let the product soak on the surface and then scrub with a brush or a pad if needed. **3.** Rinse.

Avoid the frequent use of **Ino-bio 10** on marble or carbonate-based surfaces sensitive to acids.

When poured regularly in drains and pipes, **Ino-bio 10** used solution prevents bad odors and obstructions.

Benefits

- Safe for users' health
- Safe for the environment
- Does not damage equipments and surfaces
- No toxic vapor
- Non-corrosive for skin (OCDE #404)
- Replaces strong acids
- Hypoallergenic
- Completely biodegradable
- One product for multiple applications
- Certified Ecologo
- Made in Canada
- Concentrated product: less packaging
